RE: Open Meeting Law Complaints

Dear Ms Nable,

You requested on October 8, 2013 in a letter to Chairman Doug Leard that the Wayland Board of Selectmen answer a number of questions. The following question was asked specifically of me.

Please provide a signed statement from each of the remaining three selectman, responding to the following:

a. Did you discuss, verbally or in writing, the possibility of terminating the Town Administrator with any other Board member prior to the Board's August 26, 2013 meeting?

1. If yes, when, and in what manner? What was the substance of that discussion?

I Steven Correia, Wayland Board of Selectman did not discuss, verbally or in writing the possibility of terminating the Town Administrator with any other Board Member prior to the BOS 8/26/13 meeting.

I did however, ask for clarification of the agenda item associated with this action through a text message with Chairman Leard and have provided a copy of that text.

Regards,

Steven Correia

Hi Steve...sorry I failed to return your previous call. I am in Boston for our wedding anniversary. The specific agenda item was requested by Tony. I forwarded the agenda to Tony because I was/am unsure of my attendance on Monday night. I never got into a lengthy discussion with him. I would suggest speaking with Tony. Thanks
Sorry to interrupt your anniversary & don't mean to ruin it. I disagree with your decision. You do the agenda whether you attend or not as chairman. Regardless, you still should know what the agenda item is regarding as chair. Can you please contact him and find out what this is all about? Thx
