

# LIFELONG LEARNING AT REGIS COLLEGE (LLARC)

Information Session, Thursday, February 3, 2022, at 11:30 a.m. EST via Zoom

*Lifelong Learning at Regis (LLARC) is learning at its best. We are a community of adult students involved in daytime courses and lectures designed and taught by their peers, people who strive to continue learning. LLARC involves no tests, term papers, credits, or previous college experience. It is a chance to learn and to meet new people of varied backgrounds and interests. Our common denominator is eagerness to expand our minds in a relaxed and sociable atmosphere.*
